

City Council Minutes

August 13, 2018

Meeting called to order. All members present. Val & Bernard were guests.

The minutes of the previous meeting were read. There was a motion by Margeret to approve as read. This was seconded by Kelly.

Kamy stated the County Budget has been certified.

Bernard Hoggarth addressed the Council thanking them for their community service and welcomed Paul and Kelly. He would like a community contact person to list on the Kensalnd.com website he has established. He gave updates on the museum he is working on stating that painting has been done and a sign is being made.

Val presented a bill from Z's Trees. The City bill is \$6300 and the Park bill is \$1000.00. The Legion paid \$500 and Sons of the Legion paid \$500 to cover the cost of the Park bill.

There were two candidates interested in filling the position on the Park Board. Justin Leigbig and Matt Florhaug. Their names were put in a hat and Justin was drawn. He will serve on the Park Board.

Pete had contacted Tony with CDS, Inc. regarding getting roll off dumpsters to have at the tree pile. They would be \$500 and they are 15 yrd. In size. Tires would cost \$4.50-5.00 each to dispose of. Regulation requires that burnable items have their own pile. Paul proposed burying the entire pile excluding the trees. He will call Marci Bata and see if this would be an approved option.

Z's Tree Service completed the tree removal in the park.

State Budget delinquency was discussed. Kamy stated she would get them completed but would like to have someone take over the other auditor duties to allow time to get them done. Paul made a motion to have Margeret assume the auditor position and have her name added to the bank accounts. This was seconded by Kelly. All were in favor. Kamy and Margeret will both work the auditor position for the next month.
